

Democrats are trying to mandate that schools become more **diverse** and **inclusive**, which promotes **discrimination** and **segregation**.

“Let’s punish whitey the heterosexual Christian.”

As for **inclusion**, you have to ask: *“inclusive of what?”* Being accepting of behaviors and lifestyles that are inappropriate; unhealthy; unnatural; immoral; abnormal; un-American?

Caring parents reject such behaviors as being harmful and in conflict with their beliefs and values. **“Normality”** is not determined by academics, bureaucrats, and associations. It is determined by **Society**; *“We The People”*; **We The Parents**, that must defend against the erosion of our beliefs and values. Our children depend on us to guide them on what is Right”; and, what is Wrong”.

“You and I have a rendezvous with destiny. We will preserve for our children this, the last best hope of man on earth, or we will sentence them to take the first step into a thousand years of darkness.” — Ronald Reagan
