

Judeo-Christian principles and values enriched Western Civilization, making it the most advanced and prosperous civilization in history.

*Reformed Education will teach students to be stewards for the preservation of our Judeo-Christian heritage.*

Prestigious Hillsdale College will *partner* with States to develop **K-12 History and Civics Courses**, that will teach the founding principles of **self-government**; and, the representative system of our **Constitutional Republic**. *Students will learn to value their freedoms; and, the contributions they make as Citizens, to advance our Culture, Values, and Beliefs.*
