

It's not by chance that our Children are **Climate Disciples**.

The Indoctrination continues by **Globalists advancing Worldwide Socialism** through the United Nations - *the self-appointed **authority** on Climate Change*. The Executive Secretary of U.N. Conferences clearly stated that the purpose of the Climate Change movement is to “**replace Capitalism with Socialism to ensure a more sustainable and equitable Society**”. Their intent is to control energy (*the economic life blood of nations*) to gain global power. This Section presents the Politics of Climate Change. The next Section the Science.
